Welcome

**ACM, the world’s largest educational and scientific computing society, delivers resources that advance computing as a science and a profession. ACM provides the computing field’s premier Digital Library and serves its members and the computing profession with leading-edge publications, conferences, and career resources.**

ACM Information for Authors

New Options for ACM Authors to Manage Rights and Permissions

Changes expand access to Special Interest Group conference proceedings

ACM's expanded Authors' Rights policy offers flexible options that fit computing researchers' individual needs. Authors who publish with ACM can manage their scholarly work through open access pathways to reach the widest possible audience via the ACM Digital Library. Find out how to choose the options that help you take advantage of ACM's reputation as the preferred publisher in the global computing community.... [more]

Learn more by visiting the [Information for Authors](#) webpage and watching the short video.

ACM Awards Program Recognizes Leaders in Computing for Diverse Accomplishments

Deadline for most nominations for 2014 awards is November 30

Register Now for SC 14 Supercomputing Conference

November 16-21, New Orleans

ACM Elects Alexander Wolf as President

New officers represent more than 100,000 ACM members worldwide

Grace Hopper Celebration of Women in Computing

GHC 2014, October 8-11; register now!

Publish Your Next Book in the ACM Digital Library

ACM launches new book series aimed at meeting needs of evolving Computer Science field

Announcements (cont.)

ACM Transactions on Applied Perception Seeking Editor-in-Chief

ACM Transactions on Applied Perception (TAP) is seeking a new Editor-in-Chief. Nominations are due **November 3**.

ACM Transactions on Information and System Security Seeking Editor-in-Chief

ACM Transactions on Information and System Security (TISSEC) is seeking a new Editor-in-Chief. Nominations are due **November 10**.

ACM Transactions on Graphics Seeking Editor-in-Chief

ACM Transactions on Graphics (TOG) is seeking a new Editor-in-Chief. Nominations are due **November 30**.

ACM Transactions on Modeling and Performance Evaluation of Computing Systems Accepting Submissions

The new ACM journal, ACM Transactions on Modeling and Performance Evaluation of Computing Systems (TOMPECS), is now accepting submissions. Visit the [submissions site](#) for more information.

ACM Issues Fair Use Guidelines for Authors

New ACM guidelines on fair use of previously published material can now be found [here](#).

Information Systems Category Editor Needed for Computing Reviews

Computing Reviews, the post-publication review and comment journal of ACM, is seeking a volunteer interested in serving as a category editor for a segment of the information systems area. Please see the [Information Systems Category Editor search page](#) for more information.

Advancing Computing as a Science and a Profession

**Register to Watch October 30 Webcast, "Develop Hybrid Mobile Applications with Apache Cordova and PhoneGap Enterprise"**

Virtual events feature Andrew Savory, Mobile Services and Solutions Evangelist, Adobe.

**Why I Belong to ACM**

Hear from Bryan Cantrill, Vice President of Engineering at Joyent, Ben Fried, Chief Information Officer at Google, and Theo Schlossnagle, Chief Executive Officer at OmniTI, on why they are members of ACM. [Join ACM now](#).

**Ambassadors for ACM**

Tell your Colleagues about ACM, and share the benefits of membership!

**The Indispensable ACM Digital Library**

Explore the world's most comprehensive database of computing literature.

#### ACM Author-Izer

ACM Author-Izer is a unique service that enables ACM authors to generate and post links on either their home page or institutional repository for visitors to download the definitive version of their articles from the ACM Digital Library at no charge.

#### ACM Tech Packs Compiled by Experts

Tech Packs are Annotated Bibliographies from trusted experts who select the most relevant materials in each subject; resources from the ACM DL; and content from the Learning Center.

#### Announcements

**ACM has verified that its servers are not impacted by the Heartbleed OpenSSL vulnerability.**

**Conferences affiliated with WASET: the World Academy of Science, Engineering and Technology are not affiliated, associated or otherwise sponsored by ACM.**

#### Request ACM Membership Information

Complimentary [information packages](#) are available for professionals and students interested in learning more about the many benefits of ACM membership.

#### Subscribe to Communications of the ACM

Subscribe to [Communications of the ACM](#), the computing industry's most trusted source for news, analysis and insights! Non-members can use our [online form](#) and receive an ACM membership with your 12-month subscription, or request a sample issue using our [online free trial issue form](#).

#### ACM-W Scholarships

ACM-W awards [scholarships](#) to women students for attendance at research conferences. Currently, 20 scholarships are awarded in 6 funding cycles per year. The scholarships are open to women internationally at all levels of study.
